Lebanon Lions End of the Year Party

The Lebanon Lions End of the Year party will be held June 18 at Larry Guaraldi's in Canaan at 4:00 PM. All members should RSVP to Jim Beck with the number of family attending and the side dish or dessert that they will be bringing. The main course will be steak or lobster.

Bike Road-E-O

The Bike Road-E-O held by the Lebanon Lions the Lebanon Kiwanis and the Lebanon Police Department was a success. Children came to the School Street School in the morning and to the Mount Lebanon School in the afternoon to run their bikes through an obstacle course, register their bikes, and receive a T-shirt and prize bag.

Past President Tim Guaraldi helped kids with helmets that were provided and he brought some of his girls to help out.

The Lebanon Police Cadets checked bikes and took registration information.

Congratulations to Two Great Helpers

For years the Lebanon Lions have been helped by two young women who this June marked a mile stone in their lives. Maeghan Paulhus and Nichole Guaraldi graduated from high school this month. We wish them the best as they continue their education at Robert Wesleyan College and at Plymouth State College.

Lebanon Lions Elections

At the May meeting attended by Tim Guaraldi, Norm Paulhus, Suzette Beck, Jim Beck, Sharon Davenport, Lloyd Bennett, and John Davenport, it was decided to continue the Lebanon Lions despite the small showing of members with the proviso that the club's premier goal would be to find enough new members to make the club a vital organization. President elect Jim Beck said, "I have

been a Lebanon Lion for too long to see the club fail. I will take the presidency if all members will dedicate a part of every meeting to working for new membership. He then asked Norm Paulhus to join the leadership team as treasurer and John Davenport agreed to continue on as club secretary.

89th ANNUAL LIONS CLUBS INTERNATIONAL CONVENTION

On Friday, June 30th 2006 the 89th Annual Lions Clubs International Convention will take place in Boston. This is probably the closest the International Convention will ever be to New Hampshire.

Letter from Dr. Ashok Mehta International President

The following message from International came recently.

Each week I meet Lions who serve proudly in their community and around the world. Lions continue to work to prevent blindness, help the victims of Hurricane Katrina, the tsunami, and earthquake in Pakistan, knowing that their service is making a difference. Throughout the world, Lions are volunteering and gearing up for Campaign SightFirst II. The campaign is off to an excellent start with more than US\$36 million in donations. SightFirst recently approved US\$4.7 million in grants to prevent blindness and to bring sight to the blind through cataract surgeries.

Camp Scholarship

Two children in Lebanon will be going to summer camp thanks to the donation of \$250 by the Lebanon Lions.
