Meetings on the second and  
fourth Wednesday of the  
month

Since Lions Clubs International was founded in 1917, humanitarian action has been at the forefront of every endeavor undertaken by members. Lions Clubs around the world have been chartered to serve the needs of their neighbors, and on a larger scale, the global community of which we are all a part. The Lebanon Lions respond both locally and around the world to assist in making our community and world a healthier and safer place. The local Lions sponsor a Bike Rodeo to make children's biking safer in Lebanon, collect used eyeglasses to help improve sight around the world, screen pre-school children of the Upper Valley for the prevention of sight diseases, and to these ends the members of the Lebanon Lions are proud to say, "We Serve!"

But service is just one piece of local Lionism. The Lebanon Lions Club through their meetings help foster fellowship amongst their members and the community.

For service and fellowship, join the Lebanon  
Lions.

## Service & Fellowship

Young and old attend meetings and events regularly and enjoy the fellowship of Lionism.

# Who are the Lions?

**Community Leaders** - Lions improve the quality of life in their local communities by building parks, supporting hospitals and establishing water treatment programs.

**Global neighbors** - Lions members men and women provide immediate and sustained relief in time of disaster and offer long-term assistance to those in need. Lions collect and recycle eyeglasses for distribution in developing countries and treat millions of people to prevent river blindness.

Since 1917, Lions clubs have offered people the opportunity to give something back to their communities. From involving members in projects as local as cleaning up an area park or as far-reaching as bringing sight to the world's blind, Lions clubs have always embraced those committed to building a brighter future for their community.

Nearly 1.4 million Lions members in 193 countries and geographic areas answer the needs that challenge the communities of the world. Lions tackle tough problems like blindness, drug abuse prevention and diabetes awareness.
