- ~ Annual Easter Egg Hunt at Weare Gazebo

Fundraising

As in all Lions Clubs, fundraisers are conducted each year to raise monies to support our community projects. 100% of the money raised goes to support our projects.

Some of our past fundraisers have been: 4-H horse shows, silent auctions at the Weare Patriotic celebration, Breakfast with Santa, Weare phone book publication.

Meetings:
1st Monday
7:00pm
Holy Cross Church

Who Are the Lions?

The Weare Golden Lions Club was established in February 1990 through the efforts of the Goffstown Lions Club. We are part of the Lions District 44-N and just one of over 44,000 Lions Clubs worldwide. These clubs comprise the Lions Club International organization. Lions Club International is one of the largest and oldest service organizations in the world. Being a Lions member means you join more than 1.4 million other members in more than 185 countries and geographic areas. Lions' was originally established in 1917 for eyesight conservation. This service has expanded to meet changes and needs all over the world. In 1925, Helen Keller asked the Lions to become "knights of the blind in the crusade against blindness." Lions accepted this challenge and has supported sight related projects ever since, along with other community service projects.

Membership

The Weare Lions Golden Lions Club members are men and women of all ages and backgrounds. All have one common membership goal, to better our community and provide help to those that need it most. Being a member does not mean being at every meeting, although we love to see all our members, but just the willingness to help out when needed. We have members that only attend and help out during our activities and fundraisers. We also have couples, young and old, as members. Occasionally, you will see a child or two at a meeting. This is not discouraged because we feel it is important to teach children about the value of volunteerism in the community and abroad. You are invited to be a guest at a meeting to learn more about who the Lions are and what the Lions do.
